# 2015 TEQI summit

TAY Evaluation & Quality Improvement (TEQI) Summit

---

## ABOUT THE SUMMIT

The first ever California 2015 TAY Evaluation and Quality Improvement Summit (TEQI) brings together stakeholders (e.g., TAY, county representatives, providers) interested in learning about and sharing experiences related to evaluation and quality improvement of TAY services.

## GETTING INVOLVED

Expert speakers, poster presentations, and skill-building breakout sessions will stimulate discussion, peer-learning, networking, and increased understanding of best practices in evaluation and quality improvement for TAY programming.

## POSTER PRESENTATIONS

Participants are invited to submit abstracts for poster presentations at the summit that describe evaluation or quality improvement activities for TAY programming.

Poster Abstracts will be accepted until **11:59 PM PST September 18, 2015** via the online abstract submission form at <http://www.teqisummit.org>

Authors of selected abstracts will be notified by email by September 21st, 2015.
